ACADEMIC CALENDAR

Quarter System

- **Autumn:** Sept 5-Nov 20th, 2012
- **December Intersession:** Nov 26-Dec 14, 2012
- **Winter:** Jan 5th-March 22, 2013
- **Spring:** April 1st-June 14, 2013
- **Summer I:** June 17-July 19, 2013
- **Summer II:** July 22-Aug 9, 2013
REGISTRATION

• Graduate Course Load:
  – All courses carry four quarter hours of credit, unless otherwise noted. An eight-quarter hour course load (2 courses) is required for graduate students to maintain full-time status for purposes of financial aid. For students who work full-time, registration for no more than eight credit hours in a term is the suggested maximum.

• Taking Undergraduate Courses:
  – Courses numbered 300 through 399 are advanced undergraduate courses that may be accepted for graduate credit. Your thesis advisor must approve taking undergraduate level classes for graduate credit in advance and the graduate office puts in your registration for the class.

• Add/Drop Deadlines:
  – The deadline to add classes is at one week into the quarter. The deadline to drop classes is two weeks into the quarter. You must still pay for the tuition for any courses you withdraw from after the drop deadline.

• Independent Study Form
  – https://lascollege.depaul.edu/IndependentStudy/Login.aspx
• Discontinuation
  – If you fail to register for any courses for three consecutive terms, not including summer, you will be automatically discontinued from the program and you will have to reapply in order to continue pursuing your degree.

• INT 601 Candidacy Continuation
  – If need extra time to finish your thesis, you should enroll in INT 601, Candidacy Continuation. You will need to enroll in INT 601 for every quarter that you are working on your thesis while not taking classes. This course costs $40 and keeps you in full-time student status, so that your loans are deferred and you have access to university resources like the library.

• INT 699 Candidacy Maintenance
  – If you need to take a break for some reason, you should enroll in INT 699 Candidacy Maintenance.
GRADING

• Grades: A, B, C, D, F
  • A grade of B– or higher must be earned to receive credit for any course that has been approved to count toward the graduate degree.

• Withdraw
  • Withdrawal from the course initiated by the student after the Drop Deadline and before the Withdrawal Deadline. The W grade will show up on your transcript, and you will still be charged tuition for the course. You withdraw from a course through campus connect. (If you miss the withdrawal deadline, you can put in appeal for a late withdrawal.)

• Incompletes
  • You should request an Incomplete when you have done all the work for the course, attended regularly, but are unable to complete final assignments before the end of the quarter. An incomplete will automatically turn into an F after two quarters.

• “Research” grade
  • Temporary grade indicating that the student is making satisfactory progress in a course that formally extends beyond the end of a term. This grade is an option on INT 590 and 592.

• Grade Point Average:
  • A minimum grade point average of 2.500 is required to graduate.

• Repeating Classes:
  • If you must repeat a course because you received below a B-, the grade for the second course will be added to your transcript and averaged into your GPA. It will not replace the old grade.
Campus Connection is your online portal to the university. Within Campus Connection you’ll find information about financial aid, registration, tuition balances and due dates.
