

1 Online Student Employment System

- :: View available on-campus jobs
- :: Review job descriptions and requirements
- :: Apply online for positions that interest you
- :: Track the status of your job applications

Find out more at <http://careercenter.depaul.edu>

To get started:

1. Go to careercenter.depaul.edu. Click on the Student section. Select "Find a Job/Internship/Co-op."
2. Login to the Online Student Employment System with your Campus Connect username and password.
3. Complete your Application Profile and begin applying for jobs.
4. Read the "On-Campus Student Employment" section of the Career Center website to learn about working on-campus, getting paid, work study, and more.

2 eRecruiting

- :: View job, internship and co-op listings for off-campus positions
- :: Register for career workshops, events, and job fairs
- :: Find Career Mentors through the ASK Program
- :: Sign up for UIP and Co-op Orientations
- :: Connect to the On-Campus Interviewing Program
- :: And much more!

Log on today at <http://depaul.eRecruiting.com>

Obtaining a username and password:

1. A username and password have already been established for most DePaul students.
2. Your username is your DePaul ID# with the prefix dpu. For example, if your DePaul ID# is 0123456, your *eRecruiting* username is dpu0123456.
3. The password is depaul.
