

SOUND THE ALARM
Save a Life

Just one day of your life can change someone else's forever.

Every day 7 people die from home fires. That's why the American Red Cross is rallying 30,000 volunteers to team up with fire departments and partners to *Sound the Alarm*.

We're installing 100,000 free smoke alarms from April 27–May 18 in at-risk communities nationwide, to help prevent these needless tragedies.

Join our growing movement to save more lives, like Janette and her son Timothy, who safely escaped a home fire after smoke alarms were installed.

Visit SoundTheAlarm.org to volunteer for an event near you!
