

Scotty Hendricks

Hometown

Chicago, IL

Recent positions include:

Freelance Writer, Big Think

About

Scotty is a graduate student at DePaul University pursuing a Master of Public Policy with a certificate in Metropolitan Planning and Urban Development. When not studying, he works as a freelance writer and practices fencing.

Notable memory

In Chaddick, Scotty combined his practical interests in policy with his philosophical interests in how the physical organization of the city affects the people in it. He also saw much more of Chicago on day trips than he would otherwise.
