About

After graduation, I joined the Village of Libertyville team as a Management Analyst for Administration and Finance. Currently, I am involved with multiple professional organizations, including ILCMA, IAMMA, and ELGL. Aside from government, I love exploring new cities, crafting vegan food, and engaging in fitness and

community service, most recently completing the Chicago Marathon on behalf of the Chicago Battered Women's Network.

Notable memory

The Chaddick Scholars program gave me a group of "real-life" people with whom to weather the COVID-19 storm. My graduate studies would not have been the same had I not met these fabulous folks prior to remote life! Also, everyone everywhere knows Joe. It's a rule!
