### **Hometown**

Chicago, Illinois

### **Recent positions include:**

Senior Project Manager - Chicago ADA Contracted Services, Pace Suburban Bus

### **About**

I have worked at Pace Suburban Bus for the last 7 years. I manage the contracted American with Disability Act paratransit service for the City of Chicago. I am currently working toward the integration of Rideshare/TNC companies into our service. I recently

completed a Certificate in Next Generation Transportation Planning from Simon Fraser University in Vancouver. I am serving on the board of the Congress for New Urbanism, Ill. Chapter as board Secretary.

### **Notable memory**

So many good memories! My most cherished times as a Scholar are studying abroad in Brazil, crossing the Country on planes, buses, and trains collecting passenger technology usage and all the life long friends I have made through the program.
