

Santa Torrijo

Hometown

Chicago, Illinois

Recent positions include:

Project Coordinator, City of Chicago, Department of Finance

About

Shortly after graduation, I joined the Chicago Department of Public Health (CDPH) as an Administrative Services Officer. There, I served as the hiring and onboarding lead for the COVID-19 Bureau. In October 2021, I joined the City of Chicago's

Department of Finance, where I now serve as a Project Coordinator. In my spare time, I enjoy bowling and mini golf.

Notable memory

I can't thank the Chaddick Institute enough for all the invaluable experiences that it provided me with during my time at DePaul. I particularly enjoyed the study trip to Milwaukee and the Transportation Research Forum (TRF) conference in Washington D.C!
