Overview of the LAS Central System

The LAS Central application functions as a repository that contains information about faculty, staff, and committees within the College of Liberal Arts and Social Sciences (LAS).

This application lists LAS personnel such as full and part time faculty, staff, graduate directors, department/program chairs and department/program assistants, along with their campus contact information. You can search for the subset that you need by setting one or more of the following filters:

- Title (All, Faculty, Full Time Faculty, Part Time Faculty, or Staff)
- Last Name
- Department (all departments within LAS are listed)
- Department Group (All, Humanities, Behavioral & Social Sciences, or Interdisciplinaries)
- Role (Both, Chair, or Assistant)
- LAS Committee Name

LAS Central can also help you find information about committees in the College of LAS as well as other areas within the university.

LAS Committees
Personnel Committee

The Personnel Committee in LAS reviews requests for tenure and/or promotion and makes its recommendations to the dean. The committee consists of six tenured members of the faculty at the rank of associate or full professor, elected from faculty within broadly representative departmental groupings. These groupings are defined by the Dean and are determined by the departments of out-going members of the committee, the subject areas of related departments, and the number of faculty within a particular grouping. Faculty who serve on the Personnel Committee represent the entire faculty, not just their own departments or groupings.

Unless next year is their last year at DePaul, all tenured associate and full professors within a grouping are automatically candidates in a primary election for the Personnel Committee; the three candidates who receive the highest number of votes in the primary become candidates on the final ballot.

On the final ballot, the candidate who receives the highest number of votes is elected to a three-year term, and the candidate who receives the next highest number of votes becomes the alternate, again for a three year term.
