

## Why Take Two-credit Classes

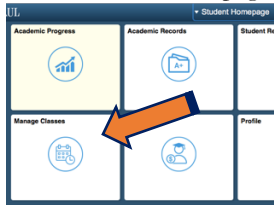

1. Meet peers and professors in other departments
2. Lots of knowledge to gain, skills to develop!
3. Explore different disciplines
4. Can request [pass/fail/audit](#) if concerned about load
5. Make the most of the tuition package rate ([Tuition fees outlined online](#))
  - a. Tuition charges are the same when registered from 12-18 credits (refer to tuition rates posted online)
  - b. You can add a 2-credit class on top of your 16-hour schedule at **NO EXTRA CHARGE!**
  - c. Accumulating 2-credit classes could potentially save you \$ by reducing credits needed later in your program!

\*\*Package and per-credit tuition rates differ depending on when a student begins at DePaul, and are subject to yearly changes. Tuition charges are the same when enrolled in 12, 16, or 18 credits, so get as close to 18 as you can to get the most for your money!\*
