

APPLICATION TO STUDY ABROAD AS A RICHARDSON FELLOW

Due Early October – See Department Calendar

Please write a one to two page letter addressing your plans for foreign study in the Spring quarter of your second year as a departmental fellow.

Applications will be judged according to the following three criteria:

1. Feasibility of the course of study (how do you plan to study the language and how are you preparing?).
2. Relevance of language and setting for research interests (do you have contacts set up? Will this time abroad help you apply for future fellowships?).
3. Progress in the program (course work, any incompletes?)

All applications should be sent electronically to the Director of Graduate Studies.

Please contact the Director of Graduate Studies if you have any questions.
