

## MASTER OF SCIENCE IN LEADERSHIP AND POLICY STUDIES

### DEGREE DESCRIPTION

The Master of Science in leadership and policy studies at DePaul University emphasizes field-based learning in public service to develop effective leaders in nonprofit and government professions.

Students will develop public policy and leadership skills in the community through the School of Public Service curriculum—every course in the degree program integrates field study. The leadership and policy studies program stresses ethics, problem-solving and research skills, and the ability to implement public policy.

### PROGRAM BENEFITS

**Evening Courses.** Classes are offered in the evening so you can learn alongside other motivated students.

**Well-Respected Degree.** With DePaul's impressive academic rankings and distinguished faculty, you'll graduate with a degree that's well-respected and speaks loudly to future employers. And, when you graduate, you'll become part of our alumni family—171,000 and growing—giving you the network you need to advance your career.

**Career Outlook.** Ninety-four percent of our 2014 SPS graduates were employed, pursuing advanced degrees or seeking neither after degree completion. Our graduates have gone on to work in nonprofit, for-profit, educational and governmental sectors.
