Modeled after the Mississippi Freedom schools of the 1960s, we will ground our learning in Black radical traditions, drawing specifically from Black Queer Feminist praxis to understand how we cultivate resilience within our bodies and our communities, channeling wisdom from our ancestors, plant allies, and the ecosystem of the Earth.

Cultivating resilience, channeling wisdom from our ancestors, plant allies, and the ecosystem of the Earth.

**ADAKU UTAH**

teacher, organizer, healer and ritual artist

Date: **May 28, 2020**
