*Diálogo* is a refereed journal published since 1996 (and biannually since 2012) by the Center for Latino Research at DePaul University in Chicago. *Diálogo* seeks research articles of regional and national contexts with focus on diverse Latin American and U.S. Latino experiences, recent Latino immigration and places of origin, including indigenous experience. We welcome submissions throughout the year: articles that help bridge barriers between academic and local communities, book and film/media reviews, and interviews pertinent to Latino communities in the U.S., the Caribbean, and Latin America. Published in Spring and Fall, often calls are issued for special themes.

No part of *Diálogo* may be reprinted, reproduced, or transmitted in any form, beyond what is acceptable according to the Fair Use Policy, without written permission from the *Diálogo* editorial office. Send requests for permission to [dialogo@depaul.edu](mailto:dialogo@depaul.edu).
