

YOUR GIFT TO CHADDICK

goes a long way!

HERE'S HOW WE STRETCH YOUR DONATION FOR MAXIMUM SUPPORT...

\$10,000

can allow us to provide an intensive year-long experience for a group of graduate students through our Scholars Program” OR prepare a policy “briefing” on a vital urban or transportation topic providing career-building experience for students.

\$3,000

can provide a study trip for a group of students and staff to travel to another Midwestern city to learn about effective planning practices.

\$1,000

can help fund a day-long minibus excursion for graduates students to an urban development or transportation site to meet with experts.

\$500

can support an intensive research opportunity for a graduate student OR allow us to host a special seminar free to the both planners and the general public.

\$100

can provide an opportunity for a group of students to travel with the Chaddick team to a local conference or seminar.

These are examples of how we use charitable support to make a difference!
