

Angelia Millsap-Giblin

Hometown

McHenry, IL

Recent positions include:

Environmental Scientist, Thomas Engineering Group

About

After obtaining her Bachelors, Angelia pursued a career as an Environmental Scientist and Certified Arborist working in the engineering industry before returning to DePaul to pursue a master's degree in Sustainable Urban Development with a certificate in Community

Development.

Notable memory

She is grateful for the Chaddick Scholar opportunity, as it is a great way to meet other professionals in the planning field.
