

Emily Hamilton

Hometown

Oklahoma City, OK

Position

City Planner, Halff Associates

About

Emily Hamilton is a graduate of the Sustainable Urban Development Program and a city planner in Oklahoma City with Halff Associates. She worked as a program manager with the institute during the 2023-2024 academic year and led several projects pertaining to our research on rivers.

Notable Memory

Her interests within the Chaddick Institute focus on finding creative ways to create sustainable development in cities, specifically, adaptive reuse, urban design, public art, and community engagement. In her free time, she enjoys biking through the city, playing the guitar, and crafting.
