

Mark W. Patoska

Hometown

Blue Island, IL

Recent positions include:

Deputy City Administrator, City of Blue Island

About

After completing my MPA, I was hired at the Civic Federation in Chicago where I conducted government finance related research for over seven years. More recently, I was appointed as the Deputy City Administrator in my hometown of Blue Island, where I previously served as the 3rd Ward Alderman (2009-

2013) and then Chair of the Blue Island Plan Commission (2017-2021). I also currently serve as a Trustee in Calumet Township.

Notable memory

Zigzagging across the country on planes, trains, and automobiles for research studies and building long-term relationships with members of the Chaddick community.
